PROFESSIONAL SUMMARY

I'm an experienced Frontend Developer skilled in creating responsive and user-friendly interfaces with HTML, CSS, Javascript, React.js, Typescript, Next.js, and React Native. I also have backend development experience with Node.js and NestJS, which helps me connect frontend apps with backend services. I've successfully worked with teams to build and maintain web applications and dashboards. I'm familiar with agile methods, fixing bugs, and adding new features, and I open to growth and learning new things related my skills dan my passion.
